Bring your family/friends and join all of your ASHRAE Atlanta Chapter friends for a great weekend of fellowship at Stone Mountain Park. We will celebrate the great 2014/2015 ASHRAE year and enjoy a great time with our ASHRAE families . ASHRAE will provide lunch and dinner at the lovely Georgia Pavilion located near the Stone Mountain Inn on Saturday and we will go to the laser show at 8:30 Saturday evening. Other activities will be planned for Saturday afternoon and we will have a smaller party on Friday night for those that want to make a whole weekend of it. While we hope everyone will stay over at the Inn one or two nights (Saturday night recommended at a minimum), we understand if some members just want to make a day of it and spend the day with us. Please e-mail Glenn Northrup @ gnorthrup@georgiaairassociates.com or call me at 678-313-6769 to confirm that you are attending and how many will be in your party and what night(s) you are reserving a room for.
