Next Meeting: **THIRD TUESDAY**, April 16th, 2013 @6:30PM

“How Long Will It Last? Addressing the Challenge of Sustainability”

Speaker: Chris Mathis, ASHRAE Distinguished Lecturer, President, MC²

**ATLANTA CHAPTER
MEETING THEME:**

YEA and Refrigeration

This year has been a busy year so far and it is about to get busier. Our biggest event of the year, the product show, hosted close to 600 people. It was great to see everyone catching up with old friends and colleagues, but more importantly, meeting new people and catching some good leads for new business. Our student chapters had a great showing and the students seemed to enjoy learning all about what we do as an industry. A special thanks goes out to all of our sponsors and volunteers to make this show a great success.

April and May are all about ASHRAE. We have several events of all types for everyone including baseball, golf, technical sessions, PE study sessions, a Macon meeting, and our new officer ballot is up for vote. I have included a few details in this publication. Please be sure to visit our website at www.atlantaashrae.org for all the details and registrations.

If you would like to hear more about our chapter and what we do, please contact me directly.

I look forward to seeing you at our next chapter event!

Charles Miltiades
president@ashraeatlanta.org
Atlanta Chapter President 2012-2013
www.ashraeatlanta.org

Chapter Meeting Notice

Tuesday, April 16th, 2013 – 2:30PM to 8PM

Afternoon Education Session: 2:30PM to 5:30PM

“Scoring Your Next Building”

Speaker: Paula Vaughn, AIA; Jeff Ross-Bain, P.E.
Location: ASHRAE Headquarters, 1791 Tullie Circle NE, Atlanta, GA 30329
Cost: \$30.00 (LEED AP's will get credit for continuing education)

Dinner Meeting: 6:30PM to 8PM

How Long Will It Last? Addressing the Challenge of Sustainability

Speaker: Chris Mathis, ASHRAE Distinguished Lecturer, President, MC²
Location: ASHRAE Headquarters, 1791 Tullie Circle NE, Atlanta, GA 30329
Cost: \$20.00 Members and USGBC Members (early RSVP) / \$30.00 Non Members

You MUST RSVP if you plan to attend the meeting. Please email secretary@ashraeatlanta.org. Also, you can prepay and RSVP at <http://www.ashraeatlanta.org/Events>. This helps the chapter accurately order food from the catering company. **In order to attain accurate catering counts, please register for this event in advance. Day-of and onsite registration will result in an increased cost of \$30.**

Themes: YEA and Refrigeration

A graphic of a green highlighter with a white cap, positioned horizontally. The highlighter is pointing to the right, and a thick, bright green horizontal bar extends from its tip across the page, serving as a background for the "Chapter Highlights" title.

Chapter Highlights

Meeting Emphasis on YEA

Our YEA committee chairs (both P.E.'s) have offered to help you study for the upcoming exam this spring. William Loeffel and Brendan Gardes are here to serve our Young Engineers in ASHRAE. Please meet them at Starbucks and be ready to ask your questions and get any help on tough exam topics.

You can sign up on our website to let them know who is coming to study.

4 Thursdays from 6-8 PM
March 14th, March 21st, March 28th and April 4th.
Starbucks
2333 Peachtree Road
Atlanta, GA 30305-4147
United States
404-261-8447

You can sign up for the last two here:

March 28th: <http://ashraeatlanta.org/ViewEvent.ashx?eventId=651797>

April 4th: <http://ashraeatlanta.org/ViewEvent.ashx?eventId=651799>

Meeting Emphasis on Refrigeration

Our refrigeration committee hosted a great tour of the facilities at Red Hare Brewing Company. We had over 30 people show up to learn about all of their systems, and we had FUN doing it. Overall, the feedback for this event points to a clear winner. Be on the lookout for more refrigeration events this fall.

Macon ASHRAE Section

Please join us for dinner at Mindgledorff's Tuesday night April 2, 2013 at 6 PM

You MUST RSVP by Friday March 29, 2013 to be able to enjoy a great Southern dinner

caroline@callowayes.com

Taming the Great Indoors: Improving Indoor Air Quality

Most of the time, we breathe without a thought, hundreds of times each hour – unless there's a problem. When something's wrong, it's due to pollutants, people, pathways, and pressure differences. The best solution often is to find the sources and control them, or fix the pathways and pressures. Instead of testing, a visual inspection (walk-through) can identify many likely sources and pathways, which are often inexpensive to fix.

Speaker: Henry Slack

U.S. Environmental Protection Agency, Region 4

B.S., Southwestern at Memphis (now called Rhodes College), Memphis, TN

M.S., Georgia Institute of Technology. Atlanta, GA

Professional Engineer (P.E.), 1988

Since 1991, Henry Slack, has managed the Indoor Air Program for the U.S. Environmental Protection Agency (EPA), Region 4, which covers eight southeastern states, addressing topics as diverse as mold, radon, odors, carbon monoxide, air cleaners, and ventilation systems. The EPA program is non-regulatory. He has also headed the regional Green Building Team, whose members represent Energy Star, Water Sense, and related programs.

YEA Mixer
Tuesday, April 23 2013
GT vs. UGA Baseball @ Turner Field
(First Pitch @ 7:00 / Tailgate @ 5:30)

We'll be gathering for the Spring Classic baseball game to benefit Children's Healthcare of Atlanta. Come see a great college baseball rivalry between two traditional national baseball powers, the Georgia Tech Yellow Jackets and Georgia Bulldogs.

The special Atlanta ASHRAE member ticket price is only \$5. That's a \$7 savings from the actual ticket price! Not only do you get entrance to the game for that price, but we'll also be tailgating in the Turner Field "Green Lot" with a BBQ dinner (Please BYOB) that is included with your ticket price.

Please purchase your tickets by clicking "Register" on your left. Tickets will be handed out at the tailgate.

This is the 10th Annual Spring Classic benefits Children's Healthcare of Atlanta! More than 24,000 tickets were sold to the event last year at Turner Field making it one of the largest NCAA baseball games in history. The 2011 event raised more than \$200,000 for CHOA.

We look forward to seeing everyone there!

May Outing

May 10th -12th, 2013

The Ridges Resort & Marina
3379 Highway 76 West
Hiawasee, GA 30546

Reservations (Please book your room by April 10th, 2013!):

Room rate is \$139 per night for Friday night and/or Saturday night in the Lodge.

Reservations can be made through the hotel directly at 706-896-2262 or 888-834-4409. Reservations can also be made online through the website at www.theridgesresort.com. Simply include the group code ASHR13 when booking to receive the group rate.

Bring your family/friends and join all of your ASHRAE Atlanta Chapter friends for a great weekend of fellowship in the mountains. We will celebrate the great 2012/2013 ASHRAE year and induct the new board for 2013/2014 at the party on Saturday evening. See the following page for a list of events highlighted by the chapter hosting an afternoon lake pontoon boat ride from 4-6 on Saturday and followed by a dinner at the pavilion starting at 7:00 Saturday evening followed by a party with the bluegrass band "Playing on the Planet" until 11:00 Saturday evening. There is no charge for these events (cash bar will be provided at the party). ASHRAE events are mostly Saturday afternoon and evening, but come on up and stay Friday night as well if you can to make a weekend of it.

Contact Glenn Northrup @ gnorthrup@georgiaairassociates.com or 678-313-6769 with any questions.

FREE ASHRAE Webcast

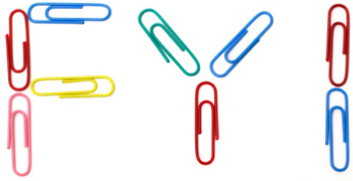

Assessing Building Energy Performance: From Principles to Practice

This webcast will feature industry experts who will explain the importance of building energy performance and its far-reaching implications in both new and existing buildings. Viewers will also learn about the various tools and approaches that are available, as well as the many opportunities that assessing building energy performance presents.

This **FREE** webcast program will broadcast live via the internet.

Visit www.ashrae.org/ABEPwebcast for additional information about the program, sponsorships, continuing education credits, speakers, and registration.

- Chapter members may earn **3 PDHs or 3 AIA Learning Units** by completing the Participant Reaction Form by **May 3, 2013**

Chapter Information

How to Join ASHRAE?

Go to <http://www.ashraeatlanta.org/> to start the process, click “Membership” on the horizontal menu bar. On the pull down menu, click “Join”. Enter your email address in the box “Verify your E-mail status”. A prospective member will then be directed to enter his or her email information. As a new member, your address will not be recognized, and you will be invited to “Register Now”. After you complete registration, you will be directed to the Individual Information page where you can finally select “Join ASHRAE”!

Prospective members under 30 years of age may consider the Affiliate Membership, which starts at only \$50/year! This year we have received very few membership advancement applications. I encourage each of you to check your membership status. You may be an Associate Member, but if you are a PE or have at least 15 years of HVAC experience, you may be eligible to upgrade to a Member. It does not cost you any money. You just need to fill out bio-data online and inform ASHRAE. The “Update Your Bio” menu option is located on the left hand side of the “Member Central” panel on the ASHRAE home page.

Web Sites Reference List

Again this year, our use of the Internet to further embrace our goal of modeling a Sustainable World will be continued. Please use the web sites listed below:

1. RSVP and prepay for each event through the Atlanta ASHRAE <http://www.ashraeatlanta.org/>. For events where meals are served, you must at least RSVP to ensure that there will be a meal for you. We encourage you to prepay, as this will speed your way through the check-in process.
2. Pay your Chapter dues of \$40 per year directly to the <http://www.ashraeatlanta.org/Membership>. These dues are in addition to your Society dues and help fund the Chapter’s programs and outreach.
3. Donate to ASHRAE Research Promotion. We have a fundraising goal of \$44,000 this year, so please do what you can to help fund ASHRAE research. Donate here: <http://www.ashraeatlanta.org/Default.aspx?pagelid=748082>
4. Join the “ASHRAE Atlanta Chapter” group on LinkedIn at <http://www.linkedin.com/>.
5. Access the Product Directory online at the Atlanta ASHRAE website. Please note that this feature is in the process of being updated.

Directions to ASHRAE Headquarters

ASHRAE Headquarters is located at 1791 Tullie Circle, Atlanta, GA 30329. The building fronts the northbound access road next to Interstate 85 just north of North Druid Hills Road (Exit 89). We are 18 miles north of Hartsfield-Jackson International Airport, near Emory University and the Centers for Disease Control.

From I-85 northbound

Take Exit 89 (North Druid Hills Road). • Turn right at the light onto North Druid Hills Road. • At the next light, turn left onto Tullie Road. Continue on Tullie Road until you reach a stop sign. • Turn left onto Tullie Circle NE. • The main entrance to ASHRAE Headquarters is on the right.

From I-85 southbound:

Take Exit 89 (North Druid Hills Road). • Turn left at the light onto North Druid Hills Road. • Go straight through the next light at the access road to I-85 northbound. • At the second light, turn left onto Tullie Road. • Continue on Tullie Road until you reach a stop sign. • Turn left onto Tullie Circle NE. • The main entrance to ASHRAE Headquarters is on the right.

ASHRAE Atlanta New Website Launch

Our new website is now live, and meeting RSVP procedures have changed. Here is a step-by-step explanation of how to register for meetings on the new website:

1. Navigate to the specific event you want to register for from our Event Calendar:
<http://www.ashraeatlanta.org/Events>
2. Click the "**Register**" Button in the light gray colored box.
3. Enter your e-mail address. Be sure to use the e-mail address where you are receiving this e-mail. Click "**Next**" to continue.
4. Login to our website to auto-fill in your contact details. This will also allow members to receive reduced prices.

A Note:

If you are an ASHRAE member, then your password for this new site is not the same as the password for the ASHRAE.org site. If this is your first time logging into this site, then you do not have a password. To create a password, type in your email address, then click on the "Forgot Password" text. A password will be sent to your email address.

5. Once logged-in, choose the registration type for the meeting. If you are a chapter member, a special discounted price will become available when you login. Click "**Next**" to continue.
6. Fill in or adjust any contact details. Click "**Next**" to continue.
7. Choose your payment method. You can click "Online" to pay with a credit card or using a PayPal account, or you can click "Manual" to bring cash or check to the meeting. Click "**Next**" to continue.
8. For "**Manual**" Payment Methods: Review your information and click "Confirm". Your registration is complete and you will be sent confirmation e-mail.
9. For "**Online**" Payment Methods: You will be directed to PayPal to complete your transaction. Once your PayPal transaction is complete, you will be returned to the Atlanta Chapter website. Your registration is complete and you will be sent confirmation e-mail.

If you have any difficulties registering for the meeting, please contact presidenclect@ashraeatlanta.org

Chapter Officers 2011 - 2012

Pamela Androff, EIT, LEED AP – President Elect
Presidetelect@ashraeatlanta.org

Pam is a Mechanical Engineer with Mitsubishi Electric Cooling & Heating, where she works as a part of the Applications group. She has been a member of ASHRAE since 2007 and is a member of the Conferences and Expositions Committee and is a corresponding member on T.C. 8.7. Pam resides in Midtown Atlanta and enjoys playing tennis in her free time.

Priscilla Sager, P.E. – Treasurer
Treasurer@ashraeatlanta.org

Priscilla graduated from Georgia Tech in 2004 with a degree in Mechanical Engineering. She has worked for mechanical contractors and consulting firms. In 2007, she joined Stevens & Wilkinson and has worked on numerous commercial and military projects, large and small. In 2008, she obtained her professional engineering license. Priscilla enjoys running, doing triathlons, and watching Georgia Tech sports.

Brian Justice, MBA, LEED AP - Secretary
Secretary@ashraeatlanta.org

Brian has been a member of ASHRAE for 7 years. He has served the Atlanta Chapter as Research Promotion Chair for 2 years and Research Promotion Co-Chair 1 year. Brian brings 21 years experience in refrigeration & HVAC as a design engineer, applications engineer, consultant, and regional manager. He has worked for companies such as Hussmann, Carrier, Lennox, AAON, and now Joe Powell and Associates.

Brian earned his Bachelor of Science degree in Physics from Presbyterian College, a Bachelor of Science degree in Mechanical Engineering from Clemson University, and a Master's in Business Administration from Brenau University.
