Next Meeting:

Exoneration of the Guilty, Persecution of the Innocent – Justice after a Steam Accident

Featured Speakers: Mr. Wayne Kirsner
Kirsner Consulting Engineering, Inc.

President's Message

I hope that everyone had an enjoyable break this summer. As the summer barbeques and beach trips wind down, it is time for the Atlanta ASHRAE chapter to start heating up! All of the chapter officers and volunteers have been working hard over the summer to plan some great events this year and provide more services for our members.

ASHRAE's theme this year is "**Sustaining ASHRAE Through Leadership**" as declared by our 2011-2012 society president Ronald Jarnagin. In his presidential address he laid out

three pillars to achieve this goal which are (1) Developing our Future Leadership, (2) Building our Global Presence, and (3) Strengthening our Industry. Our events and activities for this year will emphasize these goals, and we will discuss these in more details throughout the year.

Our first meeting of the year will be a **Lunch Meeting** held at ASHRAE Headquarters on Tuesday, September 13th, 2011 at 11:30 am. The title of this meeting is "**Exoneration of the Guilty, Persecution of the Innocent-Justice after a Steam Accident**". Our presenter will be Mr. Wayne Kirsner of Kirsner Consulting Engineering, Inc. who has provided many memorable presentations to the Atlanta Chapter.

Our September meeting will have an emphasis on **Membership** and **Honors and Awards**. Regarding awards, we had an impressive Chapter Regional Conference (CRC) this summer where the Atlanta chapter won several awards including the "Rudy" award for the best overall chapter in Region IV. Way to go **Mike Dudley**, now our most recent member of the "past president" club! We also won awards for Refrigeration (**Mark Dahir**), Membership (**Samir Sheth**), Chapter Advisor (**Dr. John Mench**), Student Activities, Research Promotion (**Brian Justice**). Special congratulation to our past president **Peggy Fritz**; Peggy won the award for the best Regional Vice Chair (RVC) for Region IV. Please plan to attend the meeting to help congratulate all of the officers and volunteers from the 2010-2011 year.

We are in the process of finalizing the new 2011 Atlanta ASHRAE product directory. If your company has not submitted its application, please send it in ASAP as we will be going live with the new searchable on-line directory. Applications can be sent directly to me and payments can be made at <http://www.ashraeatlanta.org/ProductDirectorySignup>

I am extremely honored to serve as your chapter president for the 2011-2012 year. We are constantly trying to invent new ways to serve our members. If you have any ideas or thoughts on how to improve the chapter, please do not hesitate to contact me to discuss. We look forward to a successful year!

Don't forget to RSVP for the next meeting by logging onto the Atlanta ASHRAE <http://www.ashraeatlanta.org>

Charlie Fischer

Atlanta Chapter President 2011-2012

Chapter Meeting Notice

Tuesday, September 13th, 2011 – 11:30 AM

Exoneration of the Guilty, Persecution of the Innocent – Justice after a Steam Accident

Lunch Meeting

Mr. Wayne Kirsner
Kirsner Consulting Engineering, Inc.
Marietta, GA

Kirsner Consulting Engineering is a mechanical engineering firm that investigates industrial steam accidents, and provides seminars to operators and engineers on understanding water hammer in steam systems. We come from an engineering design background, not an academic or regulatory background. (That means we've designed steam systems). We believe our experience in investigating and SOLVING steam water hammer accidents in non-nuclear steam systems is unsurpassed in the United States and Canada. Our interest is not so much in providing forensic testimony in legal cases as in getting to the bottom of the accident and explaining in clearly understandable language and everyday examples what happened.

The principal investigator is Wayne Kirsner, P.E. (whose personal experience may be viewed at the "Accident Investigations" page). Mr. Kirsner is a 1972, 1973 and 1980 graduate of Georgia Institute of Technology, BS in Mechanical Engineering, MS Physics. He has been an ASHRAE Distinguished Lecturer 2001-2009. The primary consultants to Mr. Kirsner are [Dr. Frederick J. Moody](#) and [Dr. Peter Griffith of MIT](#) --two of the foremost academic authorities on water hammer in steam systems in the World.

Lunch Meeting: 11:30 AM– 1:00 PM

Speaker: Mr. Wayne Kirsner

Location: ASHRAE Headquarters, 1791 Tullie Circle NE, Atlanta, GA 30329

Cost: \$10.00 Members / \$20.00 Non Members RSVP

You MUST RSVP if you plan to attend the meeting. Please email secretary@gmail.com. Also, you can prepay and RSVP <http://www.ashraeatlanta.org/ChapterMeetings>. This helps the chapter accurately order food from the catering company.

The discussion will center on a steam accident, the details leading up to the incident, and the details of what experts said happened. We will also discuss the resulting lawsuit against the engineer, the contractor, the Owner, the manufacturer, and the Vendor.

Young Engineers in ASHRAE - YEA

Thursday, September 22, 2011

Monthly Meet & Greet: Thursday, 5:30 pm (Every 3rd Thurs of the month)

Topic: Meet & Greet & Beer & Eat

Location: Taco Mac at Lindberg

Who: YOU and U2

BONUS!

THURSDAYS ARE PINT NIGHT AT TACO MAC, so if you order a beer of the month, you get a free pint glass: collect them all.

Well I guess it's time to get back into the swing of things. We had a great time out at the last event and we are expecting an even bigger event for January. Remember to save this date and to bring a friend. We will play some games as we mingle and get to know others in our field.

Check our Facebook page for updates on YEA events, technical presentations, and cool engineering stuff! Make suggestions for technical or social events you'd like to see! You can also RSVP to YEA events there. Become a fan! We look forward to seeing you. Send questions or comments to Dan Skellie or Kevin Penrose [here](#).

ASHRAE PROGRAMS CALENDAR

2011 - 2012

ATLANTA ASHRAE PROGRAMS CALENDAR 2011 - 2012							
DATE OF MEETING	EMPHASIS NIGHT	LUNCH MEETING 11:30 am to 1:00 pm		EDUCATIONAL SEMINAR 1:30 TO 4:30 pm		DINNER MEETING 6:30 TO 8:00 pm	
		SPEAKER	MEETING TOPIC	SPEAKER	SEMINAR TOPIC	SPEAKER	MEETING TOPIC

A green highlighter is positioned on the left side of the page, with its tip pointing towards the right. A thick, light green horizontal bar extends from the tip of the highlighter across the page, serving as a background for the section header.

Chapter Highlights

Meeting Emphasis on Membership Promotion & Honors / Awards Highlights!

During each meeting we focus on a specific aspect of the chapter's involvement. This meeting's emphasis will be on Membership Promotion and Honors & Awards.

As your membership promotion chair, I ask that all of you be recruiters for our society and ask your friends, staff and colleagues to join ASHRAE. Let's work to increase our membership. I would like to take this opportunity to thank those members who joined ASHRAE during the summer. They are as follows:

Mr Alex Hamill
Mr Matt Wren
Ms Alissa Feucht
Mr Freddie D Williams
Mr Ignatius Nicholas Kassanis
Mr Scott A Brandsma
Mr Dwight Henry Jones
Zack Millians
Asher Angell
Sean C. Reese
Mr Robert Andrew White
Chris Porto
Mr Tim Fricks
Mr Greg Sowder
Mr John Louis Davis

The chapter appreciates your commitment and we look forward to meeting you at the next meeting. Thank you for supporting our society and your Atlanta Chapter.

If you have any questions please call me, Samir Seth at 404-848-5691 or email me at ssheth@itsmarta.com

Chapter Information

How to Join ASHRAE?

Go to <http://www.ashraeatlanta.org/> to start the process, click “Membership” on the horizontal menu bar. On the pull down menu, click “Join”. Enter your email address in the box “Verify your E-mail status”. A prospective member will then be directed to enter his or her email information. As a new member, your address will not be recognized, and you will be invited to “Register Now”. After you complete registration, you will be directed to the Individual Information page where you can finally select “Join ASHRAE”!

Prospective members under 30 years of age may consider the Affiliate Membership, which starts at only \$50/year! This year we have received very few membership advancement applications. I encourage each of you to check your membership status. You may be an Associate Member, but if you are a PE or have at least 15 years of HVAC experience, you may be eligible to upgrade to a Member. It does not cost you any money. You just need to fill out bio-data online and inform ASHRAE. The “Update Your Bio” menu option is located on the left hand side of the “Member Central” panel on the ASHRAE home page.

Resumes

If you would like to post your resume in the Atlanta Chapter Newsletter, please email a one page resume as a .pdf file to Pamela Androff at pamela.androff@gmail.com

Web Sites Reference List

Again this year, our use of the Internet to further embrace our goal of Modeling a Sustainable World will be continued. Please use the web sites listed below:

1. RSVP and prepay for each event through the Atlanta ASHRAE <http://www.ashraeatlanta.org/>. For events where meals are served, you must at least RSVP to ensure that there will be a meal for you. We encourage you to prepay, as this will speed your way through the check-in process.
2. Pay your Chapter dues of \$40 per year directly to the <http://www.ashraeatlanta.org/Membership>. These dues are in addition to your Society dues and help fund the Chapter’s programs and outreach.
3. Donate to ASHRAE Research Promotion. We have a fundraising goal of \$44,000

this year, so please do what you can to help fund ASHRAE research. Donate here: <http://www.ashraeatlanta.org/Default.aspx?pageId=748082>

4. Join the "ASHRAE Atlanta Chapter" group on LinkedIn at <http://www.linkedin.com/>.
5. Access the Product Directory online at the Atlanta ASHRAE website. Please note that this feature is in the process of being updated.

Directions to ASHRAE Headquarters

ASHRAE Headquarters is located at 1791 Tullie Circle, Atlanta, GA 30329. The building fronts the northbound access road next to Interstate 85 just north of North Druid Hills Road (Exit 89). We are 18 miles north of Hartsfield-Jackson International Airport, near Emory University and the Centers for Disease Control.

From I-85 northbound

Take Exit 89 (North Druid Hills Road). • Turn right at the light onto North Druid Hills Road. • At the next light, turn left onto Tullie Road. Continue on Tullie Road until you reach a stop sign. • Turn left onto Tullie Circle NE. • The main entrance to ASHRAE Headquarters is on the right.

From I-85 southbound:

Take Exit 89 (North Druid Hills Road). • Turn left at the light onto North Druid Hills Road. • Go straight through the next light at the access road to I-85 northbound. • At the second light, turn left onto Tullie Road. • Continue on Tullie Road until you reach a stop sign. • Turn left onto Tullie Circle NE. • The main entrance to ASHRAE Headquarters is on the right. View on the [web](#).

ASHRAE Atlanta New Website Launch

Our new website is now live, and meeting RSVP procedures have changed. Here is a step-by-step explanation of how to register for meetings on the new website:

1. Navigate to the specific event you want to register for from our Event Calendar: <http://www.ashraeatlanta.org/Events>
2. Click the "**Register**" Button in the light gray colored box.
3. Enter your e-mail address. Be sure to use the e-mail address where you are receiving this e-mail. Click "**Next**" to continue.
4. Login to our website to auto-fill in your contact details. This will also allow members to receive reduced prices.

A Note:

If you are an ASHRAE member, then your password for this new site is not the same as the password for the ASHRAE.org site. If this is your first time logging into this site, then you do not have a password. To create a password type in your email address, then click on the "Forgot Password" text. A password will be sent to your email address.

5. Once logged-in, choose the registration type for the meeting. If you are a chapter member, a special discounted price will become available when you login. Click "**Next**" to continue.
6. Fill in or adjust any contact details. Click "**Next**" to continue.
7. Choose your payment method. You can click "Online" to pay with a credit card or using a PayPal account, or you can click "Manual" to bring cash or check to the meeting. Click "**Next**" to continue.
8. For "**Manual**" Payment Methods: Review your information and click "Confirm". Your registration is complete and you will be sent confirmation e-mail.
9. For "**Online**" Payment Methods: You will be directed to PayPal to complete your transaction. Once your PayPal transaction is complete, you will be returned to the Atlanta Chapter website. Your registration is complete and you will be sent confirmation e-mail.

If you have any difficulties registering for the meeting, please contact Pam pamela.androff@gmail.com

Chapter Officers 2011 - 2012

Charles Miltiades – President Elect

charlesmiltiades@gmail.com

678-376-1364 tel.

Background

Charles graduated from Georgia Tech in 2002 with an Industrial & Systems Engineering Degree. He also earned an MBA from Kennesaw State University in 2008 and was inducted to the Beta Gamma Sigma business honors fraternity. He has worked in the HVAC industry for 11 years in both sales and engineering type roles.

Personal

He has been a member of ASHRAE since 2006 and has held numerous positions in the Atlanta Chapter.

Pamela Androff, EIT, LEED AP - Treasurer

Pamela.androff@gmail.com

404-434-8793 tel.

Background

Pam graduated in 2008 from the University of Central Florida with a B.S. in Mechanical Engineering. She moved to Atlanta for a position as a Mechanical Engineer with Newcomb & Boyd. As a designer with the firm, she had the opportunity to work on various types of projects including institutional buildings, laboratories, and government projects. She earned her LEED AP in March 2009 and became an EIT in April 2009. Currently Pam is employed at Mitsubishi Electric.

Personal

Pam lives in Midtown and make the most of it by attending various festivals and cultural events that make their way to the city. She loves trying out new restaurants in the city and have an infinitely long “to-try” list. She enjoys team trivia, Braves games, and spending time at Piedmont Park.

Priscilla Sager, P.E. – Secretary

psager@stevens-wilkinson.com

404-521-6362

Background

Priscilla graduated from Georgia Tech in 2004 with a degree in Mechanical Engineering. She has worked for mechanical contractors and consulting firms. In 2007, she joined Stevens & Wilkinson and has worked on numerous commercial and military projects, large and small. In 2008, she obtained her professional engineering license.

Personal

Priscilla enjoys running, doing triathlons, and watching Georgia Tech sports.
